### Material widths:

Available in 380mm (sprocketed), 610mm and 1220mm. PerfectApply and HighTack products only available in 1220mm (PA in black and white gloss also available in 1600mm).

### IP 5700PA PerfectApply technology:

With PerfectApply technology, sign makers can benefit from faster, easier and bubble-free installation, thanks to PerfectApply's superior repositionability and air egress during application.

PA Indicates colours available with PerfectApply technology

### IP 5700HT HighTack adhesive:

The new HighTack adhesive system offers extra adhesion, making it ideal for long-term applications onto slightly textured or uneven surfaces such as walls, varnished surfaces and vehicles (fleet, trucks, caravans).

HT Indicates colours available with HighTack adhesive
